A CAMP WITH A PURPOSE

Cities with their hurry and bustle, their activity and business often overlook these ideals. There is something in the gems of nature that pierces the innermost recesses of our being. Especially is this true in the case of a boy. Universally he is interested in nature. A boy, too, likes to be with other boys. He is content in a congenial group. A boy needs and responds to leadership and guidance, if this is sympathetic and understanding.

Camp Ridgecrest, sponsored by the Baptist Sunday School Board, has emerged in response to the clarion call of these needs of boys. Through the years of its history the purpose has been to bring peace, love, and happiness to the hearts of the boys through the guidance of a consecrated Christian staff of men who spend a few weeks in busy, joyous, and meaningful living together.

WE SERVE THIS AGE GROUP

The age limits are nine to sixteen. The camp is divided into separate age groups — one the Junior Camp (approximate ages 9 to 11), the other the Senior Camp (approximate ages 12 to 17). Each camp is then divided up into tribal groupings. Each age grouping has a separate program arranged to suit their needs.

Expert medical service available

The water comes from a 113,000-gallon reservoir on the Assembly grounds and is tested regularly by the North Carolina State Board of Health. The camp has modern plumbing in every detail, providing tubs and showers with hot and cold water.

Two clean, spacious, well-screened open-air dining rooms adjoined by an up-to-date kitchen and pantry are presided over by a competent and well-trained dietician. In the preparation of meals only the highest quality foods are used. Many vegetables come

from our Assembly garden.

Everything possible is done at Ridgecrest to assure the highest degree of health of the campers. The following are some of the steps taken to this end: Examination of each camper by the camp physician at regular intervals; careful checking each day of health charts which show tooth brushing, baths, elimination, weight, and general health condition. Additional Grade A milk is furnished for boys who are underweight. Physicians of Black Mountain, just two miles from camp, are ready to serve the boys at any time, day or night. A registered nurse is on the camp staff and is in charge of first aid and the camp clinic. Camp Ridgecrest holds a sanitation "Grade A" certificate from the North Carolina State Board of Health. A Health and Accident Insurance Policy is carried on each camper.

Excellent BUILDINGS and EQUIPMENT

a beautiful five-acre lake which is fully equipped according to the waterfront standards of the Red Cross. The Lodge, a three-story building, is in the center of camp and has in it the main administrative office, guest rooms, the camp Post Office, and toilet rooms and showers. Comfortable and well-equipped cabins cover the adjacent hill. These have ample openings for ventilation and are carefully screened. On the average, six campers and two counselors live in each cabin. Lockers, tables, and chairs afford comfort and convenience. A cot with springs, mattress and pillow is assigned to each

Camp Ridgecrest has a choice site adjoining

The Counselor's Lounge serves as a place for relaxation and fellowship for those in charge. It is located on the side of a hill near the center of the camp, overlooking the Parade Ground, the Flag Pole, the Lake, and the Tennis Courts. Fidelis Hall, or the Little Gym, has served the

camp for many years. Adjacent to it is the craft center. A camp recreation center named Spilman Lodge (named for the first Manager of the Southern Baptist Assembly Grounds) is the largest log building in North Carolina. It contains a modern up-to-date Gymnasium with a basketball court measuring 85 feet by 45 feet. Two spacious Dining Halls occupy the two great screened porches with seating space for 200 campers. A large modern kitchen with a pantry adjoins the Dining Halls. Contained also in this enormous building on the lower floor are a recreation hall and a large shower room system with a visitor's locker room. Other equipment which can be utilized by campers in outside sports are an athletic field, eight tennis courts, volleyball courts, a track for field events, two archery ranges, a Council Ring, a small softball diamond, a rifle range, lovely lake, a riding paddock and baseball diamond. See Map of Camp on back cover.

MORNING WATCH

One of the most beautiful spots and one of the most worthwhile features of the camp is the outdoor chapel, which is impressively situated beneath a natural arch of rhododendron trees. The only additions of man to this natural place for worship were the piecing together of rustic logs for bridge, seats, and pulpit. Here the campers can realize how the groves truly could have been God's first temples and instantly feel the spirit of reverence. Order in worship service is no problem at Ridgecrest. Under such surroundings the boys have the privilege of hear-

ing many outstanding men who appear on the Assembly program. The truths instilled into the campers in this inspiring place are carried over into the everyday camp life and on into the days to come.

An outstanding and significant part of each day is the Morning Watch. In the chapel, campers and counselors assemble for a period of meditation, Bible reading, and prayer. Each day thus begins on a high plane of spirituality. Further, every effort is made to maintain this high level throughout each day.

Aim for the bull's eye

Plenty of follow through

MARKSMANSHIP

Camp Ridgecrest is a recognized unit of the National Rifle Association, Junior Division. Rifles, cartridges, and targets are furnished, but these are used only when supervised by an instructor and at designated periods of the day.

There is a desire in the heart of every boy to fire a rifle and hit the bull's-eye. Under safe and careful leadership many campers attain the coveted honor of becoming pro-marksman, sharpshooter, or expert.

Ten good targets mean another rank!

BOXING * WRESTLING

These manly arts are also featured at Camp Ridgecrest. After periods of instruction, boxing and wrestling tournaments are arranged in the different age groups of campers. Careful supervision is given and boys are only allowed to box with boys of their age group and of equal weight and ability.

ARCHERY

The day of the bow and arrow has returned. Camp Ridgecrest is in step with the trend of the day in offering archery as an important and interesting activity. Not only do the boys hit the mark with the arrows flying from the taut bow, but they also show their skill in actually making their archery materials. Camp Ridgecrest is a member of the Camp Archery Association.

"... and from 30 yards"

Camp Ridgecrest thrives on basketball with classes and games for all age groups. Outstanding ball players from well-known colleges and universities serve as counselors and instructors. Much time is devoted to basketball on rainy days and evenings and competitive games are scheduled with nearby camps. The basketball court at Camp Ridgecrest is recognized as one of the finest.

ROGERS' RETREAT

Campers' Lounge and Health Resort

Rogers' Retreat is a new building at camp that is just being completed. The main floor of Rogers' Retreat houses our new campers lounge. It is a place where boys can go for a quiet moment to enjoy playing a game of checkers or chess or to read some good adventure book or to congregate for a good ole "bull session". Connected to this rustic lounge is "The Pendleton Room", a small prayer and conference room. Also there is a kitchen where small groups may be served refreshments.

Parents of our campers and friends have made this building possible. Gifts which we still need continue to come in and are deeply appreciated and will make the enjoyment of this beautiful and useful building possible.

On the upper story of Rogers' Retreat is our Health Resort or the infirmary. It is equipped as a small hospital having a ward, first aid room, diet kitchen, nurse's room, and two baths. There is a lovely view overlooking Lake Ridgecrest flanked by majestic mountain tops. We hope that it will not be thought a real privilege to have to visit the infirmary but the setting is inviting. An experienced graduate nurse lives at the Health Resort.

My Son Goes to Camp

He started off at dawn for summer camp—
How long he had been waiting for this day!—
Our little lad, whose face still bears the stamp
Of babyhood; who has never been away
From home at night . . . who hove a heavy pack
To boyish shoulders, sudden-squared with pride;
Departed, laughing, not once looking back—
I'm glad he didn't know his mother cried.

Dear Father-God, take special care of him—

He's very trusting, and he is so young.

Return him sun-burned, sturdy, sound of limb;

With songs of wind and water on his tongue;

With friends, adventures, camp-fire dreams to prize;

With memories of mountains in his eyes.

A hard-earned achievement

BANK * CANTEEN

A camp bank is operated for the convenience of campers and staff, eliminating the danger of the boys losing their money. The bank will be open once during each day. The boy will not need much spending money, as camera films, etc. comprise the extent of his needs. If the parents wish, the boy's spending money (with directions for its expenditure) may be mailed directly to the camp director. This banking arrangement is purely optional.

The canteen will be open for one fifteen-minute period each day, and the camper will be allowed to buy a limited amount of sweets. In addition to these, the canteen will have camp T-shirts, caps, swim suits, etc.

* SCOUT WORK *

The outdoor life at Ridgecrest lends itself ideally to Scout Craft. More than two-thirds of our campers are generally scouts. Camp Ridgecrest always hires a special trained Scouter to take charge of this department enabling many campers to pass merit badges.

* HORSEBACK RIDING *

Every normal boy loves the horse, the friend and helper of men of all ages. Horseback riding has constructive values found in no other sport. The camp offers this service with the distinct understanding that parents assume all liability for any accidents in connection with horses.

The Stables are nearby and the camp owns their

own trained horses. The country around Ridgecrest offers many lovely bridle paths and competitive programs are arranged with suitable awards for the best riders.

"...like this!"

HIKING

With the vigor provided by the mountain air and the lure of picturesque scenery pulling strongly, it is not strange that hiking is popular in camp. The trips are always looked forward to, since the places visited are interesting and the experience of camping in the open is appealing.

Near-by peaks and waterfalls are the destinations for short hikes taken at various times during the season. By taking shorter hikes first, the boys get into condition for longer overnight trips. Occasionally the entire distance is walked, but when the journey proves to be too much, the boys are given a lift in trucks. The camp furnishes canteens, mess kits, utensils and all equipment necessary for safe outdoor camping.

TENNIS

The swish of rackets is heard often at Camp Ridgecrest. Eight hard surfaced convenient and conditioned courts are filled during the spare moments of the campers; as well as considerable time spent in classes of instruction. Ladder tournaments are played throughout the season. At the end of each session the final tournaments for the camp championships create intense excitement. There are single and double matches in all age groups in both the Junior and Senior camps.

The coaching is skilful; and especial attention is given to such matters as foot work, net play, and serving. It is planned to have competitive matches with out-of-camp teams during the season. Players are also entered in the Y.M.C.A., Asheville, and North Carolina tournaments.

New hard surfaced courts are not pictured.

SWIMMING

Lake Ridgecrest is the chief attraction of camp life. It is an ideal lake, being large enough for swimming, boating, and canoeing, and at the same time small enough to make possible close supervision in a safe manner.

The Buddy System is used and lifeguards are on duty at all times. The boating area is separated from the swimming area by a series of floats. There is a separate area for the use of the beginners. A large steel diving tower, equipped with a one-meter and a three-meter board, canoe docks, lifeguard platforms, and floating rafts strategically placed make Lake Ridgecrest one of the finest, safest, and best equipped waterfronts in North Carolina.

Instruction for all ages

FIRST AID * LIFESAVING

Competent Red Cross Water Safety Instructors hold courses in Swimming, Junior lifesaving and Senior lifesaving. Instruction is also given in Boating and Canoeing. Camp Ridgecrest sends its Aquatic Director to a National American Red Cross Aquatic Institute each summer. An American Red Cross First Aid Instructor also gives classes in Junior, Intermediate, and Advanced First Aid. Special classes in the art of fancy DIVING are also taught.

Several Swimming meets are held during the season. These meets are conducted within divisions so that boys will compete only with boys of their own age and experience. A SWIMMING TROPHY is awarded to the best swimmer in each division.

BILL THOMAS

BASEBALL

Many afternoons are given to baseball for those who wish to take part. Instruction is given those who want to learn or improve their game. Regular leagues are arranged for the older and younger boys who eagerly look forward to the scheduled games.

TRACK

At Camp Ridgecrest future stars of the cinder path are given the chance to secure valuable training and experience. Coaching is given and at the end of the season a track meet is held. This form of recreation is especially valuable in permanently developing the muscles of the growing boy.

CAMP PAPER

Boys interested in newspaper work and aspiring to become journalists find the camp paper, THE ECHO, an interesting pursuit in writing. Under the direction of a trained counselor THE ECHO is written and printed in camp and carries items of interest to campers and parents. This weekly paper is sent to parents along with counselor's weekly report.

MUSIC

For years a choir and orchestra have been maintained. It is requested that all boys who own and play musical instruments bring them to camp. We have the opportunity to play and sing on a number of occasions.

COUNCIL RING

In a lovely spot mid overhanging trees and overlooking the Lake there is a circle of rustic seats with a stone base for a large fire in the center. Here the Hunters, Warriors, Braves, Scouts, Little Chiefs, and Big Chiefs assemble around the Council Fire for interesting hours of Indian lore. One distinctly worth-while feature of this phase of camp life is the emphasis placed upon and recognition for the attainment of strength of character. The winning of a name is the cherished honor of such attainment. Each season campers have attained the rank of Little Chief and have won a name.

COOK-OUTS

Fun, laughter and the aroma of sizzling bacon atop Roane Mountain.

TOM WALTERS

* SPECIAL AWARDS *

Each season three silver loving cups are awarded to the outstanding campers.

BEST CAMPER is he who proves outstanding among all the boys in camp leadership, attitude, co-operation, and camp spirit.

MOST IMPROVED CAMPER is he who has advanced most in the above qualities, and who has shown most improvement as a camper during the camp season.

BEST JUNIOR CAMPER is he who stands out among the younger boys of camp in leadership, camp spirit, and co-operation.

These special awards are among the coveted awards of Camp Ridgecrest and are selected by a vote of the Staff. There is special recognition for all campers in some manner.

BILL THOMA

Copper work, weaving, and various other types of hand-craft are taught by a capable instructor. We feel every boy should learn to use his hands and many find great joy and satisfaction

in this method of creating. Our boys enthusiastically work on numerous articles which they proudly take home.

Congratulations

WORD to PARENTS

At camp effort is made to meet every possible need of each camper. The program has as its purpose the provision for every hour of each day. Because of this fact, parents and other relatives are requested not to visit the boys during the first two weeks of camp. Such visits often cause emotional upsets that leave the boy unhappy. Visitors are welcomed Sundays. Too, the meals are planned to furnish a well-rounded diet. The camp canteen, open only for a few minutes after dinner or supper, can furnish all sweets which should be eaten. The parents are urgently requested to refrain from sending boxes of candy and sweets and funny books.

LOCATION

The camp is ideally situated, being a part of the 2,075-acre tract of the Southern Baptist Assembly. It is right in the heart of the beautiful Blue Ridge Mountains-2,700 feet above sea level. To hot lowlands this region is a striking contrast. The air is stimulating and refreshing; the towering peaks are lovely and majestic. Camp Ridgecrest seeks to match the high level of its setting with the calibre of its program. The camp is easily accessible, being only eighteen miles east of Asheville. The Southern Railway has several trains each day through Ridgecrest, and there are also a number of Queen City and Greyhound busses with convenient schedules.

REGULATIONS

Effort is made to have as few rules as possible at Camp Ridgecrest. Stress is put upon the positive accomplishment of constructive results. It is our aim to create a spirit which will engage the interest and co-operation of each camper and which will effect a harmonious life together as one big family.

The relationship that exists between the staff members and campers is one of mutual respect, trust, and confidence. There is no effort made to suppress the initiative or the normal activities of any boy. However, the absolute safety of each camper must be assured, and it is in this connection that regulations are made. The use of cigarettes is absolutely prohibited-indecent or profane language will not be tolerated-no camper will be allowed in the water except during the specified periods. The breaking of these or other similar rules is considered a serious offense, and parents will be notified. The days are planned according to schedule, and formations are indicated by bugle calls.
